### The Premises:

Completely discreet flat a short walk from West Kensington Tube. Access via intercom. Charlotte gave clear instructions over the phone.

### The Lady:

Charlotte is early 20s, pretty, quite tall and very busty. Tamsin is an early 30s slim milf, and extremely pretty. Both fit my tastes just about perfectly. Both provide a total GFE or PSE as desired, and seem to love their jobs.

### The Story:

Given past experiences of looking for British girls based in London, at affordable prices, I was cynical when seeing the Britishbabes site. We've all been lied to on the phone about 'British' girls that turned out to be foreign, or 20 years older than advertised. It was therefore a delightful surprise to find these girls, who are actually much hotter than their pics suggest.

This punt was in three parts. Firstly, half an hour with Charlotte. Then another half-hour with both of them, fully interactive, and finally a quickie with Tamsin to round off proceedings. If you want OWO, that's an extra ?20 but its never been an important service for me. French kissing is at least as important to me, and that came inclusive and in abundance. Tamsin, in particular, is a fantastic kisser.

This basically was as good as punting gets. An hour and a quarter of pretty much non-stop hot, sweaty, noisy sex, with great fun had by all. There are so many good memories. Creaming Charlotte's lovely big tits. Tamsin writhing around in pleasure with her legs around my neck. The constant dirty talk and encouragement. The sight of these two gorgeous babes kissing. They made me feel like a king.

Needless to say, I can't wait to return. Before leaving, I also said a quick hello to Hannah Callow and another lady who I think was Gemma, both of whom are well worth visiting on another occasion. For those of us that prefer hot, enthusiastic British girls at affordable prices, this place is a dream come true.

And guys, please treat these two ladies well. They are absolute superstars.
