The Premises:

Nice place on first floor next to a pub in a good area, easy to find and park. Bedroom was clean and well-decorated, with high bed, large ceiling mirror and large mirrors at head and foot of bed.

The Lady:

Very attractive, slim and petite with smallish perky breasts, long straight blonde hair, tanned and shaved with a couple of small attractive tattoos. Said she was 26 and had just started working at Zara's. Wore black bra and thong which came off immediately she entered the room, kept on her fishnet stockings and very high heels throughout.

The Story:

I was passing and hadn't been before so decided to give Zara's a try. I prefer to have a choice of girl but Zara's only has one on during the day, however I wasn't disappointed. Charlotte was very sexy and very friendly, gave a very sexy massage followed by covered oral - she's exceptionally good at this! - then I did her in mish. She's submissive and responsive, no play-acting, and basically a very good fuck. The mirrors were great and I'll remember for a long time the mental photo of this lovely young girl giving me oral, as seen in the ceiling mirror. She's not a girl who rushes off as soon as things are over, which is pleasant. Will certainly visit Zara's again and would be very happy to have Charlotte again.
