### The Premises:

Comfortable and clean flat in Central London. Safe area.

### The Lady:

Slim and attractive asian girl. Beautiful soft skin, petite, nice legs and a gorgeous pert bum, natural breasts. She's also clean shaved down there, (which I do love).

### The Story:

Amani's very much the girl next door who I've longed to have my naughty way with for some time ;-)  
Started off by watching her slowly undress - sheer bliss and couldn't keep my hands off her body..

By the time she was naked with flimsy black panties lying on the floor, I was rock hard. I think that Amani guessed and sensed my delight as she quickly slipped her hand onto my manhood, felt me, smiled and complimented my package. I could tell that this was going to be a special encounter... ;-)

Exactly what was said and done between us over the next half hour or so remains private..  
However, I could tell that the enjoyment was mutual.. at one stage she was hanging on for dear life as I pounded away. Anyway, took my time so that I could enjoy being inside & exploring this sexy babe - held her very tight but tenderly as I came.

Amani clearly loves sex and is very eager to please. Her oral skills are fantastic and judging by the appreciative sounds she was making, she was having as much fun as me. To cap it all off, she's gorgeously tight down there and I found her very responsive. No wonder that I ventured back for a second round of passion with her later that same day ! As a regular at this establishment, I do like the fact that the girls don't entertain anything unhygienic, are smart & intelligent and can hold good conversation too. Jada & Yasmin are the girls that I visit on a regular basis and have got to know, but I'll now add the lovely Amani to that list. Gentleman, do treat all of these ladies well and with respect, as they really will respond and treat you to a sensual experience..

The downside at this establishment is being greeted by a male maid - that can be a real mood killer. Also, if you catch a girl on last shift (which I have on a few occasions) things can be too rushed - Indian Palace please do take note.

## **Service Provider's Rebuttal**

The establishment writes:

Hello Kadeer, thank you for your custom at Indian Palace. We do note your comment at the end of the report. We know that at the end of the shift things can sometimes be a bit rushed. As we close at 11pm, the last appointment for 20 minutes would be at 10.40pm. Sometimes we do have the appointment before running a bit over, which makes the last appointment run a bit over as well. Some of the ladies do get a bit concerned the later past 11pm it gets as they do need to get to where they are going.

So, sometimes it can seem a bit rushed with the very last appointment. As long as the customer does arrive at 10.40 for the last appointment, he can be seen for 20minutes.
