### The Story:

I was horny and my 3 favourite punts were all unavailable. I had been to Crystal some years ago and as I was in the area decided to see if anybody decent was there. The maid told me she had two beautiful girls - why do they have to say that they're hardly likely to say they've got two dragons in the place. On selecting the czech girl (only cause I've got a disliking for Hungarians), I soon realised it was going to be another waste of time. I think Anna must have had a train to catch. I've never been so hurried. Not only that but she didn't do OWO or CIM or A levels. Admittedly the back rub felt nice but because she was in so much of a hurry, I was forced to play with myself to make me cum. She must have said you cum yet 3/4 times during sex. God woman don't you understand I'm over 50!. Also she wouldn't let me spunk over her. Will probably be another 4 years before I go back again.
