The Premises:

Well established parlour a few minutes walk from Earls Court station, use the Earls Court Road exit.

The Lady:

Very pretty English girl in her mid twenties, fairly slim but busty.

The Story:

I had wanted to meet Louise for ages but just never seemed to get round to it ----- I was not disappointed, I rarely visit girls who do not show their face on web-sites but I know that the London Retreat does not employ mingers so that cuts down the risk.

This parlour specialises in Domination but with a "happy ending" of your choice.

Louise is very experienced and wasted no time in getting me aroused, tried out quite a few of the "toys" before a much needed hand relief, full sex is also on the menu.

I highly recommend this lady, one of the best I have seen at London Retreat.
