The Premises:

On an Industrial Estate next to a cafe. Walked in through open front door to another door secure locked door pressed bell and a nice looking blonde haired lady came down and let me in this is the lady I eventually saw. She led me upstairs to reception room where she explained to me who was on they were two more ladies on who were busy at the time but decided on her.

The Lady:

Blonde about 5ft 7in with nice legs and figure about 8 - 10 with a with a 36in d/dd bust. Looked similar to Ulrika Jonsson thought that when she answered door.

The Story:

Room a bit basic no shower in room or one offered. Stripped off and waited for her to return. I laid on my back and got straight onto massage her running her hands over my body and rubbing her nice tits on me. She rubbed my cock whilst kissing my nipples which got me nice and hard. On with the mack for some oral and then she got on top. Nice action from her and tried two more positions before I eventually came. All in nice service provided and no rush.
