The Premises:

She visited my hotel.

The Lady:

Very elegant girl, well dressed. Sexy looks, very good English- she is really chatty and easy to get on with. Nice figure.

The Story:

Katie was very easy to get on with from the off. She had me very relaxed.

She gave good massage on my back, turned onto my front and she massaged me using her breasts, her nipples were rock hard! She stroked my cock while doing this and turned a little so I could play with her wet pussy at the same time. Soon came all over her tits, she then lay on top of me sucking my now limp cock while I licked her pussy, I was soon hard again.

Sex was great any position with Katie taking the lead on occasion. Had her in doggy with my thumb exploring her other hole, she was loving it! Came again like this-really intense!
