The Premises:

not the best of areas, dodgy estate next to a pub (gangs hanging about & watching me - so embarrassing)no not safe at all i hid my iphone well.

The Lady:

yes this is actually the hannah callow but shes put on a few pounds and had many bruises which worried me somewhat.

The Story:

waste of time. the lady is just not interested ,body was covered in bruises , breasts very hard? boob job should have known!

half hearted bj followed by sex .she did not exactly smell the best either.im sure shes otherwise a nice lady but i simply cannot recommend her. AVOID
