The Premises:

Nice sized and very clean flat near Marylebone station, literally a minute walk from the station.

The Lady:

Both ladies looked sexy in their lingerie. Sandra, being a very sexy blond and Lana, a lovely brunette. Both also look better than their photographs and have a great attitude.

The Story:

I normally check Punternet for field reports for research, but thought on this occasion I will do my first field report. I've seen Sandra a few times before and even had a duo with her and Vivian, who has now moved on.

seeing that my birthday just went by I thought I would treat myself. I noticed that Sandra now was doing duos with Lana or Amelly and thought I would give Sandra and Lana a try.

On arrival Sandra opened the door and gave me a huge kiss and hug and she clearly remembered me, Lana also greeted me in the same manner. Have to say the ladies looked absolutely stunning in their sexy lingerie and they weren't shy to flaunt their perfect bodies.

After a brief chat and a nice glass of red wine it was time for round one, which consisted of plenty of kissing, caressing between me and the ladies and also between the ladies themselves. I could have happily just sat there and watch them play with each other, but this was short lived and as both Sandra and Lana turned their attention on me giving me an amazing OWO. Taking it turns first and then fighting for it. A sight to behold I must say.

We then adjusted positions with me kissing Sandra while having Lana in a lovely doggy position. Sandra is one of the best kissers I've ever had laid my lips on, lovely DFK I almost forgot I was doing Lana, her kissing was that good! We then changed positions again this time I had Sandra in missionary while Lana was behind me urging me to keep going. Truly a porn movie moment and it wasn't long, before I came.

After a good 1st round we had a little break where Sandra bought in some snacks and more red wine, had a nice little massage before we were ready to go again. 2nd round consisted more of the same but a whole lot more energetic and vocal from both lovely ladies.

This has to be without a doubt one of the best times I've had this year and will definitely remember it when I need a smile on my face :) When I can afford it I will definitely book for longer as I'm sure both Sandra and Lana have more to offer!
