The Premises:

la maison bury from the outside looks like a factory building, inside you go up one flight of stairs to a very nice waiting room with coffee, water, etc. all there & a desk.

The Lady:

A Busty 32FF. If you are a busty man, don't miss her, but for a busty woman, she is very slim, blonde, blue-eyed beauty.

Piercing & tattoos: Navel and tongue.

The Story:

I don't know if my feedback on Kendra could ever do her justice, but she is a North East woman & God do I mean a woman everything a woman should be & OMG killer pornstar looks! but in no way big-headed! She asked first if I wanted heels on or off & if I wanted to go into it for a massage, I went for heels off & a nice massage!

After not too long I turned over & Kendra had no problem starting with some kissing & body-to-body GFE, again she seemed to enjoy kissing, I then had to lick her boobs, body & OMG the sweetest pussy.

She then returned the favour while sucking along with a h/j, I think I saw a smile on not just my face but hers too,

We then kissed & got body-to-body, where she then placed a condom on me, I got on top of her & slid my cock inside her. Trust me when I say her pussy is tight & wet, it felt so very, very real, the sex between us, not like a punt at all.

I'm 169% sold on this woman, I am hoping she comes back to Bury soon & I'll 269% be seeing her.

again & next time booking longer!
