The Premises:

Nice flat on the 3rd floor of a discreet apartment between Farringdon and Barbican. Nicely furnished. Bedroom was fine and decent shower facilities.

The Lady:

Another winner - tall, beautiful, brazilian lady. Lovely breasts and a truly lovely bum.

The Story:

The obligatory shower preceeded a very sexy lapdance during which we kissed passionately and stroked and carressed each other. Me behind her while looking in the mirror. Once I had removed her clothes she started some excellent oral, nice and deep and wet. After a few minutes of this she sat on my face and I gave her oral until (i'm pretty certain) she came - the juices were running down the side of my face and she was controlling the intensity of the movement against my lips, nose and chin - very erotic. After that we had sex in several positions, mish, doggy spoons, and I finished straddling her neck as she rubbed me to completion over her lips and neck.

We had a very nice chat afterwards and she was sweet enough to ensure my suit and tie were brushed and done up properly. She's a lovely lady and I will go back to see her again.
