The Premises:

Excellent directions and a very clean and tidy house.

Nice and discrete.

Parking in a car park across the road.

Felt very safe and secure.

The Lady:

Celeste is exactly as her website describes, A great smile, curvy and with massive boob's that are to die for! If you like the look of her on her website, you wont be disapointed!

This is one sexy lady and dresses as such. Very high heels, stocking's, suspenders, a short skirt and a blouse that was struggling to keep those fantastic breast's in!

The Story:

Well she met me at the door with a great smile. It was me leaving with a smile even bigger!

We spent the first 10 mins having a brew and a chat, then we got a few ground rules out of the way (where I would and wouldn't like to be touched etc) Then up to the bedroom where all I can say is she's Amazing! As has been said before on here, just try her Tie and Tease! I guarantee you will be back.

I wont go into any more detail as You can get an Idea of the services she offers from her website.

Seriously, guy's, if you love real women rather than stick thin one's this is going to be a real treat for you.

Completely unrushed and a joy. No clock watching here.

I left wondering How soon I can return again.
