The Premises:

Same block of flats as some other Olina Escort girls. Large one bed flat. Clean and tidy, and felt homely, and a nice big bed.

The Lady:

Flora is a beautiful, slender, Thai/Korean sex bomb. Pretty face, lovely long legs, delicious boobies, and a wonderful little ass. I booked with relatively short notice, late at night, but she was as fresh as a daisy.

The Story:

Excellent!

After a quick wash down, we started with some passionate, deep french kissing on the bed whilst she wanked me hard before going down on me. Moved on to some excellent 69 which she seemed to really like. She has a lovely pussy and I was happy to eat her for a good 10-15 minutes whilst she licked and sucked me off, and I eased a finger in her tight ass.

I was amazed how tight her pussy was as she climbed on top. We started slowly, but were soon pounding away - first with her on top, and then for some amazing doggy style fucking. I can't explain how beautiful she is to look at whilst fucking, and I couldn't stand looking at her cute ass before deciding I needed to fuck it.

Again, slow start as she is *so* tiny and tight, but it wasn't long before I was slowly fucking the tightest ass that I'd seen.

I was thinking of giving her a massive facial, but I was enjoying myself so much that I just had to come in her ass.

She hasn't been here for very long, but her English is pretty good. We had a nice chat before and after the fun, and seems to enjoy what she's doing.

She left me shattered. And I loved every minute of it.
