### The Premises:

Her house was very clean and well maintained, the area was ok and the hidden parking behind the property made me feel safe. Bed was making noise like it was on its last legs but very nice place.

### The Lady:

Elle isnt good looking in her face but she has a nice body, dark complexion and nice round batty

### The Story:

For half an hr i got a quick massage, touching, oral and sex her on top.I wasnt allowed to touch her, she didnt even pretend to get into it and told me i had to pay extra for kissing after we had done. Shes great on top though and got me goin straight away, shes not the GFE shes do it quick do it well, depends what your looking for.
