The Premises:

Victoria House is well described in many reports - a good selection of girl, the house keeps a good standard of girls and while they are turning over some girls at the present time, I always get a good experience there

The Lady:

Slim, blond, nice body , and very chatty and polite.... And bloody sexy,

I saw her last year and every time I have been back she has been booked.

The Story:

Started with a massage, a good anal massage, followed by covered oralm reverse oral. Finished with cow girl follwoed by mish. Plenty of kissing throughout.

Well worth the wait between visits.

Go and see her boys...
