The Premises:

New block of low level flats in purfleet, 3rd floor flat in quite discreet area, You need to buzz intercom to get in and i have been here 3 times and havnt ever seen any neighbours. New modern clean flat with double bed in bedroom.

The Lady:

approx 5ft 8inches tall about a size 12 with 36d breasts, she is a pretty girl with dark hair and i have seen her twice and will see her again.

The Story:

She loves kissing and she gave me a massage then moved on to oral then reverse oral, she then carried on giving me oral before she sat across me for full sex with condom and after 5 minutes she brought me to a lovely climax. This is a typical girlfriend experience and it felt so natural to be with her, she is very easy to talk to and really relaxes you. I will definetly see her again.
