The Story:

Petite, girl early 20's, very pretty and accomodating.

Logan is a delightful little package of loveliness with a slim figure, cute arse and fantastic tits that most girls only achieve with the help of a surgeon. She has a smile that lights up the room and a good attitude, nice and eager to please.

Some nice light kissing, followed by a spot of r.o on the sweetest, tightest pussy, delightful owo with lovely eye contact and cute giggles. Fucked her mish and then doggy. Her pussy was as tight as I hoped Great views in the mirror, before depositing a load over her lovely face, lighter than a raunchy PSE but a marvellous, good girl nontheless.

look after her chaps, show her the respect she deserves and lets keep her around
