The Premises:

A basement flat, a safe location Her place was very clean and tidy

The Lady:

Pictures don't do her justice very attractive in person and quite tall with nice firm enhanced breast

The Story:

Very attractive and tall Indian girl with a lovely smile and beautiful eyes.

I was very surprised once she opened the door as she was a stunning (much better in person than the photo's on the website) and had me at ease straight away.

After presenting her with a gift we went straight down to business where she was very accommodating with OWO, DFK and DATY (which she loved). Had sex in various positions

She's full of energy and knows how to please. I won't go into details but will say YOU will not be disappointed if you book her, treat her well and she will make you a happy man.

I will see her again, and soon without a doubt

Lauren, Thanks for the recommendation and arranging the late booking, very professional agency and will use again .
