The Premises:

Visited a massage parlour called Bunnies, close to the city centre. Parking was a little difficult, yellow lines and residential parking so took a chance and parked on double yellows (luckily didn't get a ticket)

The parlour however was quite luxurious, clean rooms, nicely decked out, showers and porn playing in the room.

The Lady:

Had a choice of about 8 girls. But to be honest most of the girls looked knackered and were faking smiles as they said hello, but there was a good choice of pretty girls aged between I'd say early 20s to mid thirties. The girls were all dressed the same in massage outfits so you couldn't get a real idea of what their bodies were like. Hannah caught my eye as she was very bubbly so I picked her.

Hannah is a slim, leggy blonde I'd say in her early 20s, small boobs, pale complexion.

The Story:

Went to the room with Hannah and was surprised to see her wearing a sexy lace up basque and matching thong, suspenders and stockings. Wasn't expecting that under the massage uniform!

Starting with a tit massage, Hannah teased me rubbing her small tits all over my body, rubbing them along my cock. We started with some passionate full tongues kissing, followed by some amazing oral and energetic sex in Miss and doggy.

I'm more of an escort customer and try to stay out of parlours but this girl gives a very good service for a parlour girl. I told her she should be working as a high class escort as she clearly enjoys her work.

Hannah is a very sexy blonde and has a lovely personality to go with it. A genuine girl. Highly recommended
