The Lady:

Sexy lady with great tits. Very chatty and at the end asked me if I thought she was a little bit 'witchy'?. Well she is in a rather interesting way.

The Story:

Opted for a blend of Tantric and domination which was excellent. I never touched her but she touched me a plenty with lots of tie and tease plus pegs on nipples a well bound cock and a damn good thrashing with her hand. The cane is available but I did not want the marks!!

Raging stiffy for the full hour before Kelly brought things to a head and I shot a huge load with big spurts leaping skywards.

A very different but very enjoyable experience.
