The Premises:

Not a great area of derby but she answered the door discretely and quickly. House was clean, she seemed so timid i didnt feel threatened at all so first impressions where good.

The Lady:

Shes curvy, large breasts (bra stayed on tho), thick thighs, very much more plus sized with isnt to my taste at all but her face made up for that, very naturally beautiful, i couldnt stop looking at her.

The Story:

She greeted me kindly, lots of eye contact and smiling. when we got upstairs she left me to undress, came bk in put condom on and started the massage which i didnt really want (but i guess its in the routine to kill time), oral was good, she allowed me to touch her, kiss her body but on the mouth was extra (which i ended up paying as in the moment it just happened. sex was good, very gfe which is what i like. overall i left satisfied.
