### The Lady:

How do you describe perfection. Absolutely gorgeous looking with a near perfect figure. She is (or told me) half Polish/ half Swedish, but no sign of swedish blonde hair. Lovely dark hair. Lovely breasts, lovely arse - no this is not a wind-up even a lovely attitude

### The Story:

This was the 2nd time I had seen Kate and desperately needed to prolong the event so went for an hour. She always likes her clients to shower before and with it being so hot out, this was a nice way to cool down. One drawback, the room itself is hot and she has just bought a fan to try to help but Kate obviously feels the heat just as much as me.

Nevertheless, although she won't kiss or c.i.m or anal (yet) what she does do is 2nd to none. I honestly don't believe I can ever better the experience and I do love it when I'm licking her out and seeing her come. It gives me a real sense of satisfaction. Finally after two sessions of love making - not shagging, and oral and a massage, I wanted her to finish me off with her hand. I nearly exploded. You have to try it to see what I mean
