The Premises:

A room in a house, borrowed from a friend, safe part of town, easy to find with free parking close by.

The Lady:

Long black hair, should have been blonde, a problem with dye, size advertised 10-12, nearer 12-14, age 24, 32EE boobs, no reason to dispute that. A reasonably attractive package.

The Story:

Handed over initial instalment of ?110, she disappeared for 8 minutes, the initial price started at ?110, then add ?20 for OWO, ?20 for DFK, negotiated to ?140, still a bit steep as her maximum advertised price for an hour was ?120, should have walked then, but having handed over the ?110, thought it might go well. I wasn't really surprised, anyways, first round went really well, really good OWO and RO, she tasted good, kissing wasn't all that, onto a short bout of missionary and she is really tight, came quickly, she disappeared for another 5 minutes, came back, telling me that the second round was never as good. Started round 2, bit of oral, with a condom, can't have OWO second time around despite cleaning with wet wipes, she asked for doggy, she got bored, switched to missionary, she moved so I slipped out, suddenly I was too soft, punt over after 45 minutes, still had a hard on! In summary, good first go, and then she lost interest, second round a waste of time, booked an hour, in total she spent about 40 minutes with me, a bit of a rip off, be warned
