The Premises:

Reasonable. But could do with some work. One of the showers broken. Parking is not a problem, but entry from main road.

The Lady:

About 26-28 yrs old. Absolutely gorgeous. Great body, slim but not skinny.

The Story:

I haven't had such a great punt for a long long time. She gave me one of the best girlfriend experience. OWO and reverse oral was great. Felt really comfortable with her. She said she used to work here a few years ago and returned to Stoke just recently.

I wasn't sure how this was going to turn out when I booked her but was pleasantly surprised when she came in and we started making out. Can't wait to see her again. Made many calls to Abigail's to see if she was there, but never managed to catch her. The rota seems a bit random as well. So Faith if you read this please come back everyday!!
