The Story:

entered the flat by intercom and went upstairs where Katie was sat in the sitting room and there was an older lady there I guess as a receptionist. I was invited to go upstairs and was quickly joined by Katie. She was very friendly and put me totally at ease but she did have a shy edge to her which was endearing. I undressed and lay on the bed and she asked me if I wanted a massage which I did.... her hands were all over my back and legs, not too firm, not too light, just right. After a while I turned over and notice she was naked, don't even remember her undressing! she sat beside me on the bed facing me with her pussy turned towards me whilst she stroked my cock and balls very nicely. this girl loves having her pussy played with and I rubbed her clit and fingered her for what seemed an eternity whilst she rubbed my cock. she put a condom on me and proceeded to give me the best blow job I've had in a long time, not one of these rhythmic, jerky, going through the motions types, more soft, sometimes shallow and licking the head, and sometimes deeper and full length in her mouth. I guided her into 69 position and she needed no persuading! she loves having that sweet pussy licked which I did for ages to her enjoyment, she either enjoyed it judging from the moans or is a fantastic actress. the sight of her pussy and arse is great, I gently licked. and rubbed her arsehole which she didn't mind at all. On to sex. she straddled me and gently lowered herself onto my cock and we fucked cowgirl with her leaning back and rubbing her clit... after a while switched position with her on her back with her legs over me whilst I lay on my side, eventually I couldn't hold out any more and shot my load deep into her. This girl is great, seems to enjoy what she does, and what's done to her. She's cute and a genuine yorkshire lass. I will definitely be seeing her again. I got to wondering what else she will do, and I rang back to find out she will do an hour for 100 and will do anal for 20 extra. I've been to a few parlours and independents and this girl has to be the best I've paid for, great service, nice girl and good vfm
