The Premises:

Beautiful ground floor apartment, spotlessly clean and in a very smart area just out of the city centre. Very safe area.

The Lady:

Suzannah is a very curvy lady with lovely blond hair and blue eyes that mesmerise you totally. She looks stunning in her black basque.

The Story:

Wonderful welcome with kisses and cuddles on the settee. We relocated to the bedroom where I was expertly divested of my clothes and, laying on my stomach, given a soothing massage all over. Suzannah soon found my trigger spots (no prizes) and when I turned on to my back, she immediately moved to deal with my aroused state. She gives wonderful oral with slow, careful movements. After more kissing I turned to take advantage of her beautiful breasts.

Suzannah sensed it was time to deal with my heightened state of arousal and positioned herself astride me. Wow....what a feeling as I slid inside her. I guess I must have pushed some buttons for her as she began to moan and kiss me even more passionately.

We swapped places so I could take her from behind. Suzannah moved in rhythm with me and it was almost all I could do to stop my visit ending prematurely. After a brief rest on the bed, holding her close to me and enjoying such exquisite attention, I lay her on her back so I could have the joy of looking into Suzannah's eyes while I enjoyed the ultimate pleasure of her total attention. This time I couldn't hold back - I wanted this moment to go on for ever!

Absolutely magnificent - lovely, lovely lady!
