The Story:

I initially made an appointment to see Georgina of www.admiralescorts.com for 1pm. I arrive on time at No.1 Porchester Rd, only for her to tell me that she doesn't see people of colour. That her agency are aware of that and they should have put that info on their website. I phoned the agency from inside her flat to enquire why I wasn't told this. The EE lady who answered the phone was very rude, asking me what I want her to do. Then Georgina gave me a long list of nationalities that she wouldn't see, to include Albanians, Romanians, Blacks, Asians, and strangely enough, Irish. So next time you make appointment with Georgina or indeed any girl from [admiralescorts.com](http://www.admiralescorts.com), make sure you carry your passport to prove your nationality.

I wanted to shag a slim blonde, and the girl I usually see was not available. So with my iPhone, I went searching for a slim blonde girl within the vicinity. I found Evelyn from barracuda website. She was available and a few minutes walk to her residence.

SERVICES I'D BEEN OFFERED: OWO, SEX. She doesn't kiss (which is a shame). After I ejaculated once, halfway through a 1 hour booking, she asked if I wanted to take a shower. A clear indication that there was no second round on offer. I took the shower and left after 40 minutes. Nice girl, but I will not be returning in a hurry, partly because of no kissing and no second round.
