The Story:

first time to mk angles have to phone when outside to be let in , so i did and was let in by a very sexy young lady who i later found out was bonnie, was shown to room (very clean) offered a drink (declined).

louise walked in the room with black stockings and a lovely black&gray number on, gave me a nice kiss and done the paperwork then she left the room, 2 Or 3 mins went by and the room was nice and cool due to the air con as it was boiling outside, louise came back into the room and was offered a massage with i accepted lovely soft hands made me feel really horny she then laid next to me and we started DFK as i was playing with her fantastic breasts, she is a great kisser. she then took her panties off and i gave her some nice RO which i think she liked (nicely shaven) i then stopped and took my WATCH off as i didn't want it rattling or to catch her soft skin. i asked "is it my turn now" ?, "oh yes" her OWO is amazing felt so good and her long hair was tickling my balls and her bum was in my face i just had to slap it and have a little play with her tight..... u get the picture hehe. After a long session of OWO she put the condom on and cowgirl commenced wish it lasted longer but with her fantastic OWO i lasted 2 mins at least (if that) we cleaned up and i left now remember that watch?! got a phone call to say i forgot it oopppssss went back hoping she would fall in my arms and run away with me if only lol

would i go back oh yesssssss

louise teats u good didn't feel rushed and she was stunning
great OWO girl! and fantastic kisser. thanks for good time xx
