louise walked in the room with black stockings and a lovly black&gray number on, gave me a nice kiss and done the paperwork then she left the room, 2 0r 3 mins went by and the room was nice and cool due to the air con as it was boiling outside, loiuse came back into the room and was offerd a massarge with i accecped lovly soft hands made me feel really horny she then laid next to me and we started DFK as i was playing with her fantastic breasts, she is a great kisser. she then took her panties off and i gave her some nice RO which i think she liked (nicly shaven)i then stopped and took my WATCH off as i didnt want it rattleing or to catch her soft skin. i asked "is it my turn now"?, "oh yes" her OWO is amazing felt so good and her long hair was tickkleing my balls and her bum was in my face i just had to slap it and have a little play with her tight...... u get the pitcher hehe. After a long session of OWO she put the comdon on and cowgirl commenced wish it lasted longer but with her fantasic OWO i lasted 2 mins at least (if that)we clened up and i left now rember that watch?! got a phone call to say i forgot it ooppppsss went back hopeing she would fall in my arms and run away with me ...... if only lol
