The Premises:

First floor flat near to Earls Court tube station. Reasonably discreet entrance. Abbi's flat is smallish and cosy-feeling. The bedroom and bathroom both clean and tidy. Subdued lighting and joss sticks made for a nice and relaxed atmosphere.

The Lady:

Abbi is an attractive young oriental lady (the website says Japanese - I couldn't really judge and am not especially bothered about doing so). She has a well-toned, slender figure, with long legs accentuated by the fishnet stockings she was wearing. She is possessed of a very pretty face, longish hair and a charming smile. Very pleasant breasts, possibly enhanced but not to an out-of-proportion extent.

The Story:

Thoroughly enjoyed the hour. I am not a young man, and am not interested in running through the Kama Sutra - I value a warm welcome, a genuinely friendly attitude and a gentle touch as much as sexual services. Abbi came up trumps. She was relaxed and affectionate from the moment I arrived to the moment I left. She's a sexy lady too, and left me totally satisfied on that front too, finishing with a lovely, gentle massage and very pleasant conversation. For me, her looks, attitude and quality of services make her my ideal escort.
