The Premises:

As previously reported. I slipped out of the back entrance (of the premises!) today just for a change - a discreet option if you're worried about being spotted on this busy road.

The Lady:

Black, very petite, gorgeous. Totally fresh and immaculate. The most peachy kissable lips ever.

The Story:

Turned up on spec as I have done in the past to see who was available; for me Anita was the clear favourite of the four girls presented, partly as it's been years since I've been with a black girl.

Started with very sensual kissing as she gradually undressed me; I enjoyed kissing her all over. Anita is very friendly and easy going, and made sure I enjoyed my full visit, despite the sex part being over fairly early on. Very nice visit, all in all.
