The Lady:

Well proportioned. Jaw dropping figure! Quite tall (5'9" i think) lovely smile.

The Story:

This was actually a 2 girl experience the other being Maxine. I could not take my eyes off Holly though... She was that mind blowing!!

While they stimulated me i just lay watching the girls at work. I was excited and my eyes kept wondering over to Holly!

Soon i ready for some action so on with the rubber and doggy it was with Holly with Maxine behind me. The moaning of two lovely ladies hard at work beats no other thought!

Once my manhood shot its load and things were cleaned it was on to some play. I was licked all over with Maxine leaving some love marks over my body (so i can think of her when i see the marks in the mirror!).

On to round 2 - Maxine started me off with a Blow-job while Holly played on stimulating me. what followed was a BLUR.... Holly was amazing she started to wank me and i shot my second load!... (nearly in her hair) but today i know i had a taste of heaven with these two girls. Both girls are stars and Holly i know you will become a great of Annabellas in the months to come. I do hope to see you again sometime soon. Love thinking of you!!!
