### The Premises:

Previously described. Cottage in industrial area of Brum.

### The Lady:

Late thirties. Large enhanced boobs brunette. Friendly and chatty.

### The Story:

Funplace closed down! So couldn't go and see Rae. Decided to try the Studio as never been before and many good reports recently and in particular a good report on Paige a few days before. She is attractive and friendly and chatty. Good body and good OWO but she is very much a pro who wants to get you in and out. Was told by maid after direct questioning that fee included kissing, OWO and reverse O. But then later Paige insisted that reverse O was extra and kissing definitely not encouraged. So I did the deed and left. Not crap but not as advertised, so disappointing in that respect. As a punter who chooses a particular establishment what you seek is reliability and uniformity in services with no duplicity. I think I'll just go next door to Blue Ice next time as it seems more reliable.

### Service Provider's Rebuttal

Paige writes:

First of all id like 2 point out that i was pleased to read that the service that i provided was a GOOD ONE! & not a crap one! & that you found me both friendly & chatty with a good body & gave good OWO! I THANK YOU! for that! On a bad note i point out i do not & will not do reverse rim! & if i did it would be extra!! neither will i remove my piercings! i also need 2 mention! as far as kissing is concerned i LOVE! KISSING! & in return LOVE 2 be KISSED! as long as personal hygiene is up 2 standard! there for if you wish & want 2 be kissed! then i strongly suggest! you make sure personal hygiene is up 2 standard for mutual enjoyment!!
