The Premises:

Small but presentable first floor flat. The entrance is right on the Uxbridge Road so is a bit indiscreet but the door is left permanently open so you can nip in quickly. New age muzak on the stereo and clean towels.

The Lady:

Pretty, brunette Polish girl. Very "girl next door". Curvy where it matters.

The Story:

I got a discount due to an overlapping booking but I think she said it was ?60 for the hour.

A very relaxing massage, building up to a more sensual affair with the obligatory CC swipes. Then onto the front for a very nice oily HJ. I'm quite high maintainence in that regard but Erica went at the job with gusto!

I liked her a lot and will be back.

A clean, smiley girl who really seems to like her job.
