The Premises:

This was a Heathrow airport hotel being used by Lucy on a tour date - it made for a perfect location with reasonable charged parking and easy to access the lifts/stairs/rooms without challenge

The Lady:

Lucy is a 30-something sex bomb, attractive and curvy blonde, good figure, lovely tits, shaved with a tuft, great attitude, good fun

The Story:

I've known Lucy for some time, from before she took a lengthy break and recently tracked her down on her new profile on that other site. She makes appointments on tour dates all around the UK incl Scotland and N Ireland. So her Heathrow stop was great for me and boy am i glad I booked. Lucy has a very extensive list of things you'll like and it's non-stop sex heaven - great oral, loves giving and receiving, takes a good shagging like the Yorkshire lass she is and gave me a wonderful finish - you wouldn't be disappointed believe me.

The sex was fantastic but her attitude makes it a real joy, and Lucy had enough time after to join me for a drink in the hotel bar and we chatted like old friends. A really great punt
