The Premises:

A very pleasant unassuming clean apartment. No cat piss; no graffiti, no cats; no men with axes wandering about.

The Lady:

Large real looking lady, with a combination look of maternal comfort and pure lewd filth in her eye.

The Story:

You can't beat a woman who wants to have sex with you and Roxy is probably permanently on heat. She says she'll do anything, except scat, because she genuinely enjoys everything. She began by giving me a nice massage with lots of hugs and kisses, which led to the cupping and licking of my balls and cock, which then evolved into some quite fantastic rimming. I returned the favour by giving her sexy ample arse and pussy a mighty fine licking. She even requested I stick my finger up her arse.... you'll never guess! During all this Roxy's pussy was getting wetter and wetter. She gave me another rimming and I ended the proceedings by wanking into her mouth while she fingered my arse. There was no rush or impatience by Roxy for me to leave afterwards. In fact she carried on with the kisses and caresses. Roxy is friendly and filthy, what more could you want?
