### The Premises:

I've seen Charlie at her apartment, it was clean and safe.

### The Lady:

I'm very hard to please, I don't see the point to write a FR unless the service and the girl are outstanding. I'm not that young anymore and I need a real honey to make me happy. I have to admit that Charlie was absolutely great. The agency organized the appointment quickly and efficiently, the receptionist was nice and polite. Charlie is a stunning girl, the prettier i've seen in the last two years.

### The Story:

When she opened the door I was greeted warmly by a beautiful smile above a gorgeous body covered in the sexiest lingerie. It didn't take long before the fun began. She was spontaneously warm and friendly, sorted the finances out, We started passionate deep French kissing and my clothes went off, she offered me a good massage, we made out and she kept kissing me, proving to have fantastic oral skills. When she started to give me a BBBJ, I was seriously worried to cum after just a minute, it is incredible how deep she sucked my cock and how deep she took in in her throat but, when she felt I was about to cum, she stopped and started to suck my balls and to give me a rimming, this added great pleasure to the experience and made it unique. She went on like this for good 10/15minutes ending up with a mind-blowing CIM. Round two consisted in a quick BBBJ a long session of me licking her pussy and a very nice, long and steamy, session of sex. We changed a few positions both for vaginal and for anal sex, and Charlie happily accepted to do another CIM for my second cup. Even if we went overtime she didn't rush me out making well sure that I was happy with her service before to leave. Well, my dear, if you read me, I was extremely pleased, see you soon.
