The Premises:

Private house in a rural area of Aylesbury. Easy parking, house was clean and tidy. The room set aside for lurve was equipped with video and fans to keep cool.

The Lady:

Set met me at the door, before I had even knocked, she was dressed in smart white jeans. I had requested the girl next door look and jeans. Yes she is about 26, she is slim and very much like her picture on the website.

The Story:

In the room she was straight into lots of kissing. We had a good time, she both receiving oral and performing OWO and CIM. I liked it as some dribbled out of her mouth. We chatted a bit about Aylesbury, and she also mentioned she has a girl friend with which she can book for threesomes. Might try that on another day.
