The Premises:

Superb well-kept ground floor apartment. Looked like a five-star hotel. Excellent facilities including plenty of clean fresh towels and a lovely shower within a bath tub. Location is within the London congestion charging zone, so it is best to travel by train or bus.

The Lady:

Absolutely stunning blonde with model type of looks and the perfect curves. Would turn heads everywhere. Not only gorgeous but also very friendly and welcoming. If she looks good in her photos, then she is at least twice as good in real life.

The Story:

Knowing that Sally is popular, I made a half hour booking a day earlier. Owing to a delay on my part, I couldn't make it on time and was delayed by 40 minutes, so it was very nice of the agency to reschedule the appointment for an hour later.

After waiting for 5 minutes or so in the beautifully decorated and posh waiting area, I was introduced to Sally. The moment I laid my eyes on her, I trembled and my heart rate doubled because there was this gorgeous blonde who I couldn't stop looking at. I then took a quick shower and returned to the bedroom to be joined by Sally.

After a brief introduction and getting to know each other, the fun began. I love GFE and I can confirm that Sally did not disappoint at all. I am never satisfied until I receive my heavy dose of foreplay. Sally provided this foreplay with great enthusiasm. This included plenty of sweet soft kisses and great reverse oral on one of the cleanest ladies I have ever met.

Half an hour flew by quickly, and in the end I was 100% satisfied.

Sally definitely provides the highest quality GFE. She treated me like a prince. Likewise, she should be treated like a princess and I guarantee you will have a great time with this great young lady.

Sally, I hope you remember me. I am the Indian guy who brought you the After Eight mints and who

suggested that you ought to do some modelling too.

I hope Sally will continue in this line of work, as I plan to see her again and again.
