Profile Name: Dollymopp...A Real Lover Experience

Website: <http://www.dollymoppsboudoir.com>

Phone: 07904172001

The Premises:

A short walk from Borough tube. A flat in a slightly run down looking apartment block but entering Dollymopp's flat is like the wardrobe in Narnia!

The Lady:

About 5ft 5ins, I would guess. Pale flawless skin. Very curvaceous and buxom. Soft sexy Scottish accent.

The Story:

A really enjoyable evening with Dollymopp. First part of the night was spent with a couple of glasses of wine and getting to know each other. Dolly is obviously well travelled and read. The best 'pre-action' chat I've ever had for sure! Then down to the action which was no less impressive. In particular, nipple sucking and kissing is one my favourite pastimes and Dolly was perfect for this as, first and foremost, her nipples are highly suckable but so also she seemed to really enjoy it. In fact, Dollymopp is highly responsive generally. All in all, as someone who is relatively inexperienced sexually, this was quite the education!

I would call it a great GFE but in all honesty, given the age gap between us, it was more like a 'best mates mum I'd like to fuck' experience. And Dolly seemed to like the idea of being a 'Cougar'!

My sexual dysfunction issues (as discussed in previous FRs) were also handled very well. In fact, the best of any ladies I've seen.

Suffice to say I will be back at some point for further education!

Service Provider's Rebuttal

The lady writes:

Aaargh, the dreaded comment about my place, again...!

(It's ok P, it just gives me the opportunity to tell all here! And thanks for the fab fr darling! xxx)

I thought that the comment there may have had people thinking that I live in a shady district, and refrain from meeting me. SE1 is a wonderful place with amazing history. Safe and busy in the day, safe and quiet at night. Not glamorous, but ok.

Some boys may think...Why is SHE living THERE? Because 40ft away it costs ?300-400-500 a week, and here it costs ?87 a week! Imagine paying that for central London, with a tube station 1 min away? Not to mention the City, Borough Market, London Bridge train station, Waterloo train station, Tate Modern, The Thames, all the entertainment along the river...

So Pro's=loads! Cons=one.

Last year, the block had new double glazing, new window frames, new doors and personal gardens installed, so it's actually not bad from the road. Not run down, just ugly. Entering the gate, the path and entrance have seen better days and are so embarrassing to me, so when someone is visiting, I tell them about it. Any visitor would vouch for me there.

My first meeting always involves me popping out to fetch my boy, so he can see me first (and possibly run!) then if he returns, he already knows how make his own way.

When I saw that P had written that, I was mortified! But then realised, hey, I get to wax lyrical about it now, so he really gave me an opportunity to tell people en masse before they arrive, and that's good!

See you soon!? D x (you too P, hehe)
