The Premises:

Central location next to Marylebone High St

The Lady:

Very attractive body, face older than pictures which flatter her - typical Romanian look

The Story:

Poor service - no OWO and completely uninterested. Had the television on the whole time which is very off putting. Although an attractive girl, I simply have not had any luck with any of the girls who claim to be Italian but are in fact Romanian. If you want good service, stick with the Baltic girls and Russians - much nicer, open minded and less cold.
