The Premises:

Room in posh hotel on Brighton seafront. No problem in walking past reception and up the stairs to her room.

The Lady:

Very pretty and slim brunette girl. In her early 20s. Nice pert breasts.

The Story:

A very nice Polish girl. Speaks some English. She advertises ?90 for an hour and ?70 for half an hour but I would recommend that you go for half an hour as both prices only covered cumming once (unless you can go for a whole hour before cumming in which case you're a better man than I!).

Given Iza's looks and her age, the price she advertises is very low so I expected that some services would be extra. That was indeed the case . The basic price seems to cover oral (covered) and sex (also covered of course) but I paid an extra ?20 for licking her pussy which is highly recommended.

So the details: Iza started off by giving me covered oral. Very nice and pleasurable. I then moved onto licking her lovely sweet pussy which was a great experience, especially when she came with a moan and a shudder!

We then moved onto fun sex in missionary position until it was my turn to cum. Iza then gave me a massage and we chatted for a bit until I decided to go.

Overall a highly enjoyable experience.
