The Story:

This was Laura and Jess's first day of doing a two girl, an event that I believe will be a regular monthly event and I could not resist. Great session, the girls worked really well together with them both paying all parts of me lots of attention effortlessly changing position so that I lost track of who was doing what to me, as well as enjoying watching them pleasure each other. Left with a big smile across my face and looking forward to the next one.
