She visited me in my hotel in Rotherham

The Lady:

She is a mature escort with a twinkling smile and a lovely attitude. A cuddly size 14+ with long strawberry hair, sweet smelling and quite delightful. Her smile would melt your heart. She is the ultimate lesson in looking at the person, not the vital statistics. Forget the young, attractive floozies with an attitude problem. This lady is pure sex on legs.

The Story:

She is absolutely wonderful, quickly putting me at my ease and kissing deeply and delightfully. And then she gave me one of the best back massages I've enjoyed with plenty of attention to the little bits she could find dangling between the legs and then rolling over to enjoy her oral skills. Until you have experienced Shanna's oral, you have not lived. After you have experienced them, no other escort will ever live up to her memory. She seemed also to enjoy the reverse oral and the mish that followed. The hour flew by and I could have happily entertained her company all night. I cannot wait until the opportunity arises to see her again. Treat her gently chaps - she is magic. Pure magic
