The Premises:

Very small apartment, clean, in Bayswater.

The Lady:

Only bears a passing resemblance to the photoshopped picture on the website. A bit chubbier and a bit more "fake" than in the photo. She looks far more typically Brazilian than in the photos.

The Story:

Terrible punt. It started routinely, but despite confirming twice that the lady offered OWO, and it was on the website too - she refused. Not due to cleanliness I hasten to add, she just said not for ?150 at midnight. Then after a disinterested performance, refused to go for round 2, which had also been confirmed beforehand by the agency.

What is more, she got very aggressive and threatened to call her "friend" to get rid of me when I started wanking and saying I wasn't going til I had cum a second time....to renege on OWO is one thing, to refuse a second round is tantamount to theft...when I buy a car I expect 4 wheels not 2.

I have complained to the agency, and it is not their fault if this is the first complaint and if they remove her....but I guess she will re-surface under another alias and continue to scam us punters :(
