### The Story:

arrived to be met by two beauties in lovely underwear greeted with a kiss from both girls gently pushed onto bed where i was undressed, told to roll over for a back massage which progressed to my legs and balls and cock. I rolled over for the main action to start it was great lot of licking pussy finger fucking and kissing all round, laura eventually put a condom with her mouth and rode me cowgirl while i licked jess's pussy laura got off and told me to put my cock in her mouth she sucked until i came in her mouth, she swallowed the lot. A great time was had by all i left with a big smile on my face i'll be back.Thanks girls
