Sasha is around 19 and had mid length hair. Prob around 5ft 5 and slim to medium build.

The Story:

Have visited Bunnies many times before and seen Roxy, Katie and Jodie who all feature in other PR reports and have provided a very high standard of service. On this occasion I was hoping to see Roxy (having booked an appointment earlier in the day) but was running late and, as such, Roxy was busy and only Sasha was available. I decided to see Sasha as she appeared pleasant enough. We got into the room and I opted for the ?80 "Girlfriend Experience". I had a shower and lay on the bed where Sasha gave me a massage with talc that was pleasant enough but not overly intimate with her keeping her top on. At this stage I was not over bothered but when I turned over she proceeded to give me a 2 minute hand job before asking if I was ready to put the condom on for sex? At this stage I asked for OW which she did reluctantly for around a minute. Following this she attempted to put the condom on for sex but had to leave the room to get another and was gone around 2 minutes. By then, I realised that this was not going to get any better so had sex with her on top and then came in missionary. The whole thing lasted barely 10mins and was barely the most basic experience you could imagine, with her out of the room for 2mins of the time! As we were getting dressed, I asked her what part of the service was the "Girlfriend Experience". She got very defensive and stated the OW, if this was all that was offered she should have said - OW is an extra ?30 at the start of the meeting (and that it would only be for 1 min)! She then had the cheek to blame me for not initiating things further when I said she did not even take her top off at any stage but was supposedly offering a Girlfriend Experience.

Anyway, I later phoned back and spoke to Roxy who immediately recognised me and was very apologetic, saying she would pass on to the manager and inviting me to come in and discuss when she is there next, which I intend to do when I have saved some pennies again! Sasha is probably a nice girl but this was not just catching her on a bad day, this was a very sub-standard service from someone who is not interested in providing customer satisfaction. I will return to Bunnies as the other girls have provided some of my best punting experiences but I would highly recommend you

NOT to see Sasha but one of the other stunning girls that work there.
