The Premises:

Debbie's is a discreet basement flat with a rear door. Bit scruffy in the back yard, but clean and very serviceable indoors

The Lady:

Probably 5'5" (but taller with heels), tanned, blonde (at the moment!) and with very happy, sexy twinkly eyes. She was described as mature, which is fair (40s?), but a wicked figure, a lovely voice and a very winning smile.

The Story:

Things had suddenly got very busy at Debbie's and I was waiting for over an hour, after phoning ahead (and admittedly, arriving earlier than I'd said). However, the wait had two advantages: first, Debbie and I got into some serious preliminary chat in the waiting room (once I'd graduated from the front room, and finished the paper).

Secondly, Jenny kept popping in and promising she'd make it up to me - and she really did deliver! Super affectionate loving technique, and a very explosive finish - rounded off with a shared shower. It's always hard to leave these girls: Debbie's is an oasis of giggling sexiness in a sad bad world.
