The Premises:

Directly opposite Westferry DLR station, less than a minute away. Very discreet and private. It was a very clean apartment, with no-one around. Right beside a salvation army.

The Lady:

Beautiful girl. Definitely the girl in the pictures, but as is often the way, she looks better in the first. She's had a boob job, but her assets are still very nice. She also has a great smile.

The Story:

I will try to keep this brief.

Once inside, I gave her the money and she gave me some water and led me to the shower. Once back we got down to the action. She's a very sweet girl, and an absolutely fantastic kisser. I particularly enjoyed the snogging, but the sex was pretty great as well!

The only disappointment was that she didn't do oral without but the service was so good that it didn't affect my enjoyment and I'm trying to free up my schedule to return as soon as possible.
