The Premises:

This 1930s block in South Ken has several porters and CCTV but there are loads of people wandering about. Her flat is small but fine and discreet.

The Lady:

Definitely the person in the photo. About 5ft 4inches and about as good looking as you could ever imagine.

The Story:

Nathaya is a nice soul, keen, energetic and clearly enjoys her job. We did 69, CIM, straight sex, massage interlude, before I came again on her lovely body. Told me she was from the Hakka chinese community in Malaysia. As close to perfection as I could ever imagine, afterwards I was on a high for three days.
